2024-2025 TUITION CONTRACT

Child's Name: _____

The Montessori Schoolhouse tuition contract is an agreement to pay a full year's tuition per child. This agreement is not discounted by early withdrawal of your child from school. Parents acknowledge that Montessori Schoolhouse bases the budget and contractual obligations on the full yearly tuition and other children are denied admission as a result of enrollment of your child and your agreement to pay the full year of tuition.

You may choose to pay in one sum and receive a *2% discount or have the tuition divided into 10 equal monthly payments beginning on August 1.

Subsequent monthly payments are due the first day of each month thereafter until paid in full. The tuition is charged regardless of attendance each month unless classes are cancelled by the school. **If classes are cancelled, we will refund 50% of the tuition for the time cancelled and prepaid.** We understand the yearly tuition is due September 1st and monthly tuition is due by the first day of each month beginning August 1st.

Montessori Schoolhouse will not send monthly bills for monthly tuition. The school commits to academic year expenses based on enrollment and since most expenses continue whether a given student attends classes or not, the enrollment contract requires the total annual charges to be paid for the full academic year. Refunds or credits will be made based on withdrawals for medical reasons, job transfer or for dismissal at the school's initiative. If withdrawal occurs for one of the above reasons, parents will be refunded unused annual tuition, paid in advance on a prorated daily basis.

Please initial your payment choice.
